18 X 26 DOUBLE CAR CARPORT

CALL NOW TO ORDER!

If you need reliable outdoor storage space at a great price, check out this 18x26 Double Carport. Designed with a strong metal roof, gabled ends, and extra side panels, this carport provides great protection and value. With dimensions of 18' wide x 26' long, there is plenty of space for two cars or trucks to sit side by side, with extra room on the ends for equipment storage. With 12' tall legs, you can even use this double carport to store an RV or mobile home. Customize the color, dimensions, and other features to meet your specific needs!

The roof and building trim can be ordered with as many color combinations as you need, adding your own personal style to your double carport. Whatever your specific needs may be, we will design a metal building that is perfect for you.

LAND/CEMENT FOUNDATION MUST BE LEVEL

- Cement should be 1 ft. shorter than roof length.
- Cement must be level and square from corner to corner.
- Return trip fees will apply if building is not installed.

In order to get the highest quality installation, we ask to have the site prepared and ready to go on the day of installation. There should be no electrical wires less than 15 feet above the peak height and confirm no underground utilities will be impacted by the installation process (must be 4' or more beneath the impacted areas for ground installation). Remember, all of our structures come with free installation and free delivery.
