18 X 26 REGULAR ROOF RV CARPORT

CALL NOW TO ORDER!

If you need outdoor storage space without breaking the bank, check out this 18' x 26' RV Carport! An 18' wide x 26' long RV carport provides 468 square feet of storage space. There is plenty of room underneath the roof to store two cars or trucks, and additional equipment. Built with a strong metal roof and extra side panels, this RV carport provides great protection and value. Our carports are versatile and can double as a picnic shelter, outdoor workshop, auto-repair area, and more! You can customize your carport for almost any use, including adding side walls for a fully enclosed garage. Change the dimensions, features, and color to meet your specific needs.

LAND/CEMENT FOUNDATION MUST BE LEVEL

- Cement should be 1 ft. shorter than roof length.
- Cement must be level and square from corner to corner.
- Return trip fees will apply if building is not installed.

In order to get the highest quality installation, we ask to have the site prepared and ready to go on the day of installation. There should be no electrical wires less than 15 feet above the peak height and confirm no underground utilities will be impacted by the installation process (must be 4' or more beneath the impacted areas for ground installation). Remember, all of our structures come with free installation and free delivery.
