BOXED EAVE COMMERCIAL STEEL CARPORT

CALL NOW TO ORDER!

Constructed with high-strength steel and designed to last for years, this durable commercial steel carport is an excellent way to keep your cars, trucks, equipment, and other property safe from the threat of severe weather.

Measuring 30' wide by 30' long, this steel carport provides 900 square feet of sheltered storage space. This steel carport also features an enclosed back and sides for greater protection from wind-blown debris. All of our buildings can be certified to withstand severe weather conditions specific to your area.

LAND/CEMENT FOUNDATION MUST BE LEVEL

- Cement should be 1 ft. shorter than roof length.
- Cement must be level and square from corner to corner.
- Return trip fees will apply if building is not installed.

In order to get the highest quality installation, we ask to have the site prepared and ready to go on the day of installation. There should be no electrical wires less than 15 feet above the peak height and confirm no underground utilities will be impacted by the installation process (must be 4' or more beneath the impacted areas for ground installation). Remember, all of our structures come with free installation and free delivery.
